FREE SERVICES - 2026	
Exploratory Discussion A discussion about your young person's needs, your purpose and I am able to provide.	*up to 30 minutes free*
Pre-Assessment Introductory Meeting If your young person experiences high levels of anxiety and finds meeting new people difficult, we can arrange to meet on-line a few days before we meet in person. They do not have to use the camera. Please let me know if you would like to use this service when we schedule so that we can book in time for this.	*up to 15 minutes free*
Post-Assessment Discussion All assessments include up to 30 minutes discussion afterwards free of charge. This is usually to discuss the draft report and make sure recommendations are fit for purpose. If you wish to extend this meeting or book a further meeting this is charged at my usual hourly rate.	*up to 30 minutes: free* *over 30 minutes: pro-rata at £80 per hour*

ASSESSMENT SERVICES - 2026 *please also see 'What to Expect – Assessment'*	
Detailed Speech and Language Therapy Assessment For young people experiencing difficulties with spoken language. This includes memory, vocabulary, listening comprehension, expressive language and narrative skills. Other skills, such as speech, auditory and phonological processing, reasoning and communication are included as relevant. A detailed written report is provided with personalised recommendations for home and school/college.	*up to 3 hours assessment plus report: £640*
Social Learning and Communication Assessment For young people experiencing difficulties with attention and social communication. This includes spoken language, narrative skills reasoning and problem solving, social communication and executive function (attention, emotions processing and organisation). For 11 year olds and under this may include a school visit.	*around 4 hours assessment plus report: £800* *school visit: pro-rata at £80 per hour*

Full Diagnostic Assessments for Dyslexia For young people experiencing difficulties with reading, spelling and/or writing. **Full Diagnostic Assessment for Dyslexia (pre-16)** This includes language and reasoning (including phonological awareness), reading, spelling and writing, speed of processing and memory. We may also explore possible difficulties with motor co-ordination. A detailed written report is provided with action points and personalised recommendations for home and school. **Full Diagnostic Assessment for Dyslexia (post-16)** This includes language and reasoning (including phonological awareness), reading, spelling and writing, speed of processing and memory. We may also explore possible difficulties with attention/impulsivity and motor co-ordination. A detailed written report is provided with action points and personalised recommendations for home and school/college. As a current APC (Assessment Practising Certificate) holder these reports following the SASC (SpLD Assessment Standards Committee) report format (2025). As such they can be used to support any future application for Disabled Students' Allowance.	*around 3 hours assessment plus report: £640* *around 3 hours assessment plus report: £640*
Advice for Education, Health and Care Needs Assessment/ Plans All my assessments can be extended to contribute to an Education, Health and Care (EHC) Needs Assessment and/or Plan. They can also be used as professional evidence for appeals at Special Educational Needs and Disability (SEND) Tribunal. It is important that you let me know in advance if this is your intention. Reformatting a report at a later stage or writing an addendum will incur an additional cost. This can be completed up to 6 months from the original assessment and typically include a further review session.	*reformatting an existing report or writing an addendum: pro-rata at £80 per hour*

THERAPY SERVICES - 2026 *currently available at schools and colleges with whom I have an established working relationship*
